+Area Statement April 12, 2015

Allison (Uncut Recovery) - Schedules not picked up in a timely manner. The printer, Wright Printery, donates time to print schedules and wants to make sure they are picked up when ready. John B (Fellowship Development) feels it should be the web servant's responsibility to pick up schedules and states it doesn't look good to the public for us to continue fumbling the ball. Sean (ASC Chair) asked John R (Literature) if he is able to commit to continuing to pick up schedules and he is not due to an extremely busy schedule. Allison states she is willing to pick them up if needed. Sylvia is now the new web servant and feels that PR should indeed be responsible for schedules, not Literature. She feels that it should be delegated to the same person and she is willing to do this. Tina H. (Activities) questioned what the Policy was. All updated sub-committee policies and guidelines will be provided to Sylvia by Secretary to update the daytonana.org website.

Mike A (It Starts Here) – Asked local recovery house discussed at previous ASC meeting if they can put up a literature rack and went to PR. Ron (PR) gave a rack and literature to recovery house. Read PR In Action, feels it is a PR issue. NA willing to reach out to this recovery house, feels we should keep message active there. Ron (PR) says PR has a literature budget and can be used for this purpose. John B (Steps to Freedom) agrees, feels PR should be allowed to do this as well as provide schedules for local NA meetings. Sean (ASC Chair) states he feels if we start placing literature at recovery/halfway houses it will open that door and we are not literature distribution. John B (FD) suggests making houses aware of ways to buy literature to fill racks, states if we start giving to one, we will have to give to all.

George De. from our area will be the Thursday night speaker at FRCNA.

**New GSRs:** John (Street Survivors)  
Dustyn (Twelve to Life)

### ***Administrative Reports:***

#### **Chair report:**

The ASC will be meeting in May for those who would like to be there. You will be able to come and pick up your April literature order as well as place new orders and make ASC donations. We will be there to discuss any group related issues you may have. Thank you and we hope to see you there

ILS,

Sean

#### **Vice Chair Report:**

Would like to address the meetings at Sunrise Park. The Mayor is even starting to complain about the smoking during meetings in the park, which is a NONSMOKING park, and not picking up butts or cleaning up after themselves. He has been receiving complaints from the community. Pictures are also being taken and posted online again. Ron said pictures are being taken of random people smoking and posted online as being NA members. He said his home group meets at the park and they have tried policing members about smoking.

ILS,

Bryce
