1. Any Member of H&I Subcommittee is automatically disqualified from any H&I actively upon relapse, but may again become eligible when he/she can confirm to their requirements herein set forth.

*** Being clean for the purposes of the H&I Subcommittee shall be construed as freedom from the use of any narcotics including alcohol or involved with a Drug Replacement Program*

2. Any Member not conforming to these requirements or any other that may be added later, or who refuses to abide by the rules and regulations of facility, shall automatically be relieved of any H&I Subcommittee assignments

3. No NA meeting regularly under the auspices of the H&I committee shall be held in any facility except when directly supervised by the H&I Subcommittee or its delegated leader. This appointment must be acceptable to the facility being served

4. Any NA Member who is involved with a given facility on a professional or volunteer basis should not participate in the Panels serving the addict in that facility. This is intended to avoid possible conflict and the resulting damage to: (a) the inmate or patient inside, or (b) the

working ability and the privilege of the Subcommittee to carry the message inside of the facility. For these same reasons, no H&I Member may interfere with or use influence in any facility, court, or hospital; nor any judge, doctor, probation or parole officer. Furthermore, H&I Members will not make any comment or promises regarding employment, parole probation or medical problems. We carry only the message of NA:

RECOVERY FROM ADDICTION THROUGH OUR SPIRITUAL PROGRAM.

5. Length of clean time required by each facility is to be rigidly upheld by all H&I Panel Coordinators or Leaders.

6. Excessive use of profanity or the use of vulgar stories in your sharing is strictly prohibited by the authorities of all facilities and strongly discouraged by the H&I Subcommittee

7. Any Member of the H&I Subcommittee on parole will only be allowed to participate in or attend an H&I meeting in any facility being serviced with the expressed clearance of the authorities of the facility, if applicable

8. H&I Panel Members shall be responsible for the conduct in a facility and shall take responsibility to become informed in advance regarding the regulations of the facilities being served.

9. Only NA approved literature shall be dispersed to facilities

10. Basic Text, etc. (books) shall be distributed only by the approval of the H&I Subcommittee

11. Working with others, men with men and women with women. Some facilities house only men or only woman, other facilities house both men and woman but keep them separate. In these facilities, where your meetings will consist of only women, we feel strongly that only same sex NA Members should participate.

*** Remember, our primary purpose is to carry the message of recovery, not to make our meeting more popular with addicts that we are trying to help. Problems that might arise in this*

have the potential to seriously damage the credibility of NA. Experience has taught us that we can avoid these problems if we follow this simple guideline.

12. You are reminded that the H&I Subcommittee exists to share the Narcotics Anonymous Message - our experience, strength and hope. H&I Members should try to get residents involved with the H&I meeting through reading materials as well as through direct sharing. A personal contact should be established with any resident upon their release

13. All Panel Coordinators will be held accountable to their commitment to service. Any Panel Coordinator who is continuously absent (2 or more consecutive meetings) from monthly H&I Subcommittee "can" be removed from position by a majority vote of the H&I Subcommittee. If a Panel Coordinator is voted out of service, position will then be open for nominations.

14. For additional information and suggestions on H&I service please refer to the W.S.C. H&I handbook.

15. Adolescent Guidelines

16. Prior to entering all adolescent facilities all Panel Members/speakers will be prescreened using the internet sex offender web sites. National, State and DOC.

** Screening will be conducted by the H&I Chairperson

** H & I Chairperson will maintain a cleared addicts list making it available to Panel Coordinators (All non-cleared addicts information will be destroyed and kept confidential.)
