DAYTONA AREA SERVICE COMMITTEE POLICY

The Twelve Traditions of N.A.

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

- 1.) Our common welfare should come first; personal recovery depends on N.A. unity.
- 2.) For our group purpose, there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3.) The only requirement for membership is a desire to stop using.
- 4.) Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
- 5.) Each group has but one primary purpose—to carry the message to the addict who still suffers.
- 6.) An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
- 7.) Every N.A. group ought to be fully self-supporting, declining outside contributions.
- 8.) Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
- 9.) N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
- 10.) Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
- 11.) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
- 12.) Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

DAYTONA AREA SERVICE COMMITTEE POLICY

Twelve Concepts for N.A. Service

- 1.) To fulfill our fellowship's primary purpose, the N.A. groups have joined together to create a structure, which develops, coordinates and maintains services on behalf of N.A. as a whole.
- 2.) The final responsibility and authority for N.A. services rests with the groups.
- 3.) The N.A. groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
- 4.) Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
- 5.) For each responsibility assigned to the service structure, a single point of decision accountability should be clearly defined.
- 6.) Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
- 7.) All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its' decision making process.
- 8.) Our service structure depends on the integrity and effectiveness of our communications.
- 9.) All elements of our service structure have the responsibility to carefully consider all viewpoints in all decision-making processes.
- 10.) Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
- 11.) N.A. funds are to be used to further our primary purpose, and must be used responsibly.
- 12.) In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

DAYTONA AREA SERVICE COMMITTEE POLICY

Definition of an ASC

An Area Service Committee (ASC) is a committee made up of representatives (GSR's) from groups within a designated area, which meets monthly for the express purpose of serving specific needs of its' members' groups. The most important service which an ASC provides is that of its' groups support. Whenever a group has a specific situation or need, which it is not able to handle on its' own, it can come to the ASC for help. These situations are almost limitless in scope; however, we learned that we can get much accomplished when we work together. An ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. In order to provide these services, an ASC needs active participation of its' GSR's. A group supports its' ASC both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an area grows, the financial needs of the committee also grow. In order to provide a full line of services, it requires a steady, reliable flow of money. Some areas provide these funds through activities, these alternate sources of financial support are helpful, but the bulk of the responsibility still falls on the members of a group. The active participation of each GSR is essential for a successful ASC. Each GSR must keep their own group informed and must represent that group's conscience in all committee decisions. GSR's should evaluate each vote in terms of the needs of those they serve, and the needs of N.A. as a whole in the area they serve. In addition to this, a GSR participates in helping to carry out the ASC's other specific functions. The attracting of new members, the planning and the implementation of activities, and the aide given to the groups with specific situations are services, which require much more effort than a monthly meeting.

DAYTONA AREA SERVICE COMMITTEE POLICY

Unanimous Consent: This is a method that allows the ASC to move quickly through routine business or questions of little importance. This is a less formal way of handling business and is an alternative to taking a vote or a motion. If the Chairperson senses no opposition to a motion he/she will state that the motion is carried by unanimous consent unless there is an objection. If there is no objection to this, the minutes will reflect that all of the voting members were in favor. If a member objects to this, the matter will go to vote as prescribed for the motion.

Withdraw or Modify: A request to withdraw or modify may be made by the maker of the original motion upon his acceptance of a suggestion from another member. After the motion is made, it belongs to the ASC as a whole, and the maker must request the ASC's permission. The Chair treats this as a unanimous consent matter; that is if no one objects to this, the request is granted. If there is an objection, the Chairperson automatically puts the request to a vote, which is not debatable.

Motion to Call a Vote: A motion to call the vote must be seconded and allows for only one pro and one con. A 2/3 majority is required to adopt this motion. The intent of this motion is to bring the original motion to a vote without further amendment or debate. This motion is not to be made to suppress information, but rather to expedite the proceedings.

Point of Information: A point of information is a question directed to the Chairperson to obtain information concerning parliamentary procedure of the motion that is pending. This allows a member to ask a question and it is not to make a statement or give information.

Point of Order: When a member feels that the rules, policy or guidelines of the ASC are not being adhered to, he can make a 'point of order', which in effect is asking the Chairperson to make a determination of whether or not the procedure the member is pointing out is in fact being violated. A point of order is not a method in which to dispute the accuracy or validity of other members' remarks, but instead is to bring to the attention of the Chair that a member feels that proper procedure has not been followed.

Suspend the Rules: A motion to suspend the rules is made when a member of the ASC would like to waive a certain ASC procedure. The motion will include the rule to be suspended and the length of time it shall be suspended. The motion requires a second and a 2/3 majority.

Appeal the Decision of the Chair: By electing the ASC Chairperson, the ASC delegates the authority and the duty to make the necessary rulings on the questions or parliamentary procedure, but any two members have the right to appeal their decision on such a question. By one member making the appeal and another member seconding, the question is taken from the Chair, and given to the ASC for final decision. The Chairperson shall speak con to the appeal and the maker of the appeal shall speak pro to the appeal, not to exceed one minute each.

DAYTONA AREA SERVICE COMMITTEE POLICY

DEBATE, LIMITS¹⁴

There will be only 2 pros and 2 cons heard on any main motion or parliamentary motion, or decision, etc. The time limit to which speakers address a motion in debate will be determined by the ASC Chairperson; usually depending on the importance of the matter and the agenda for the business meeting.

MOTIONS

- All motions are required to be submitted in writing on a “Motion Form” that is numbered with the year, month, and motion number of that day’s business.
- The only ASC members that can make or second a motion are the GSRs, Alt GSRs, Elected officers of the ASC, which include Subcommittee chairpersons and their alternates.
- The ASC can only make a motion to waive the current Policy once during any one ASC meeting.
- When a motion creates or changes policy a copy of the motion will be kept with the Policy Chairperson at close of that ASC to be attached to that month’s meeting minutes and kept on file with the Policy records; the original copy of that motion will be kept with ASC secretary and the ASC minutes for that month.
- Any motions that deal with the distribution of Area funds, elections for Administrative Committee officers, or elections of Subcommittee Chairpersons will go back to groups for vote.
- All motions dealing with policy changes and/or amendments of policy will be tabled to the Policy Committee for review. Motions that address current policy shall include: 1.) Specific current policy to addressed or affected; 2.) Clear and concise language regarding new proposed amendments and/or revisions to existing policy ; 3.) The intent of the motion should take into consideration the 12 Traditions, The 12 Concepts, and a Guide to Local Services in Narcotics Anonymous.

DAYTONA AREA SERVICE COMMITTEE POLICY

VOTING

- The monthly ASC meeting minutes will reflect the exact vote count tallied; number of yes votes, number of no votes, number of abstentions; and the outcome of the vote- Pass or Fail.
- Motions which require a 2/3 majority to pass are:
 - Those which change, eliminate, add or waive policy;
 - Those which concern financial matters -- first reviewed by the Area Treasure, to insure adequate funds are available to support the motion – generally Tabled to Groups for approval.
 - Those which eliminate a standing committee.
- All other motions require a simple majority of the groups present at roll call.
- Any recognized group in attendance at ASC, that is prepared to vote, may vote.¹⁵
- Votes will be taken by a request from the Chairperson to see a show of hands, of all in favor, then all opposed, then all abstaining.
- All alternate ASC officers and alternate GSR's can vote in the absence of the officers they are alternating.
- The ASC Chairperson can only vote as the tie breaking vote.
- ASC officers can only vote on motions that directly address administration business of the ASC and that does not have to go back to groups for a vote.

Quorum

Quorum will be calculated twice at the ASC meeting: First, following the “Open Floor” where any member of NA may address the area; second, just prior to group voting on old business. At this time, the Area Chair will ask if any group is unprepared to vote and would like to be removed from the quorum count.¹⁶

DAYTONA AREA SERVICE COMMITTEE POLICY

Activities:

Dances, picnics, campouts, and special speaker meetings-these events are put on by area activities subcommittees. Activities like these can provide a greater sense of community for the local NA fellowship and produce additional area income. It should always be kept in mind, however, that these functions are designed to enhance NA's primary purpose, not to replace group contributions in funding area services.

- The activities subcommittee will have its' own bank account which will be maintained by the activities committee, on which the ASC Treasurer will also be a signer (see Activities guidelines).
- The Activities Alternate Treasurer will also be elected by the ASC as the officer is a signer on the Activities checking account.
- Any function planned by this committee will be allowed by group conscience of the activities committee.

Hospitals & Institutions:

Hospitals and Institutions Subcommittees conduct panels that carry the NA message to addicts who often have no other way of hearing our message. The Area H&I subcommittee keeps records of H&I meetings, coordinates panels and establishes new meetings to as many hospitals and institutions as possible. The H&I subcommittee responsibilities sometimes overlap those of the local Public Relations committee. For this reason we encourage H&I and PR subcommittees to closely cooperate with one another.

Policy:

The policy committee is responsible to keep a regular updated log of area policy actions. That way when the ASC is confronted with a policy question the ASC can consult it to see what decisions have already been made regarding it. The policy log makes it unnecessary to for the ASC to rehash the same question over and over again. The Policy committee will clearly explain their reasons for recommending or not recommending a motion (based solely on Twelve Traditions, Twelve Concepts & Twelve Steps). When updating the Area policy package, include all Area subcommittee guidelines & budgets. Maintain update on a month-to-month basis.

Public Relations:

The general mission of our area Public Relations subcommittee is to inform addicts and others in the community of the availability of recovery in Narcotics Anonymous. Attempts to carry the N.A. message of recovery to those who help or have contact with addicts, and attempts to establish lines of communication via radio shows, public service announcements, poster, mail-outs, attendance in related conventions of professional fields, etc. The ways and means are innumerable. All PR work should go through the subcommittee.

DAYTONA AREA SERVICE COMMITTEE POLICY

The PR subcommittee also establishes, maintains and coordinates an effective Phone line, and Web Page. This committee is responsible to meet the needs of the addicts in this area. They do so by following the Twelve Traditions, Twelve Concepts and the current Policy of the Daytona Area Service Committee. The purpose of this is to provide a means by which a still suffering addict can reach a member of NA.

Ad-Hoc:

Sometimes an area committee comes up with a question or special project that does not fit into any existing subcommittee's job description. The ASC may wish to create an ad hoc committee to address the issue. Ad hoc committees are set up for specific purposes and have limited lives. When they have finished their jobs, they are disbanded. In creating an ad hoc the committee, the ASC should clearly specify what the committee's purpose will be, what authority and resources it will be given, and how long it should take to complete the job. Then the ASC chairperson may appoint either the entire ad hoc committee or just a chairperson who will put the ad hoc committee together later. Once the ad committee's work is completed, the committee is dissolved.
