H&I Panel Coordinators roll call and report (**see attached**)

New Members: Hannah P., Chad, Lara B.

Old Business: Chair confirmed that no quorum exists for H&I; Carl H. suggested an addendum that at least half of the administrative body be present for major policy changes. A full policy and proposal explanation of the Coordinator Chair position will be brought to H&I in January; the group will vote on it, and the Chair will bring a motion to add the position to H&I policy in February. Lisa L. suggested that a packet be put together for all coordinators detailing location, contact information, qualifications, and rules. Bill suggested putting sad information on the website, which must be brought to PR for further action. Carl H. presented a Coordinator Report form (panel leads, meetings, literature requests), which the group voted in to be used by all coordinators from now on, but will add ‘facility concerns’, per Heidi’s suggestion. The Chair put in a motion to increase our budget for books at previous Area.

New Business: Vice Chair contacted all panel leaders for men’s and women’s RAP after hearing that meetings were not being met; the facility has been reaching out to the men asking if they will speak for the girls when women have not shown up for their commitments; Vice Chair suggested reverting back to the old system where male and female commitments were conjoined, especially since willingness to fill panel positions is lacking. The group decided to table the decision until after the facility is consulted. Andrea R. suggested asking RAP if there is a better day for the females since oftentimes they are not present when the meeting is brought out to the facility. Flagler H&I Orientation will be held in Bunnell on the 24th; Carl H. and Dave S. need support from coordinators and panel leaders at this event. Dave S. suggested creating a list of facility requirements for the event. Jessica S. brought up the lack of literature at Detox; Sean W. has reached out to facility about the issue in order to rectify it and will follow up. The group again discussed the extreme importance of coordinator/panel leader communication; Karen P. suggested a best practices list for communication between coordinators and panel leaders.

Appointed Positions (through election):

Detox Saturday Coordinator: Chad

Women’s Jail Coordinator: Dee S.

Project WARM 1st Thursday: Jammie G.

Darryl Strawberry 1st Monday: Jessica S.

Darryl Strawberry 2nd Monday: Andrea R.

Darryl Strawberry 3rd Monday: Dee S.

Men’s RAP: 3rd and 4th panel leader positions open

Reality House: 2nd and 4th panel leader positions open

Flagler Jail: 5th week panel leader position open

The next H&I meeting will take place on February 25th, 2018.

Matt H. motioned to close, Karen P. seconded, and the meeting was closed with the Third Step Prayer at approximately 6:51 PM.

In Loving Service

PURPOSE:

The Policy Subcommittee will also transform the new amendments and revisions into clear and concise language in the part of the DASCNA policy that the motion amends or revises and create updated pages to be given to the members of the DASCNA.

Policy subcommittee will submit an annual updated policy package to all trusted servants of the DASCNA area floor, and update monthly as needed, by distributing only the revised pages of the policy package to all trusted servants. This is to include categorizing all approved motions into (i.e. voting, qualifications, duties and responsibilities, elections, subcommittee policy, etc.) so the ASC will be able to read and understand the Policy. The policy subcommittee will be responsible for keeping yellow copy of ASC motion forms and evidence of motions that effect policy change have been passed by the groups. The policy subcommittee will be responsible for keeping policy change records for the Policy Committee. The Policy Committee will also be responsible for maintaining the DASCNA archives and keeping them in order, in protective containers, at the DASCNA storage. The policy subcommittee will be responsible for keeping one motion form to be reproduced when supplies run low, and will be responsible for the task of having them reprinted.(Motion form printing is not included in Policy Budget as it is not an annual task.)The policy committee will be responsible for keeping the webpage information up to date by working with the DASCNA web servant.
