Interested members will gather at Sweet Marley's on Thursday, 28<sup>th</sup> for website training. Each member will bring a laptop if they can.

A member inquired if the Telephone Coordinator could be removed from her position, since she rarely shows up at meetings. The group agreed that others were doing her duties anyway and left the issue without a vote.

The RCM, who promised at Area to be at PR's meeting did not show up.

The Chair took minutes in Secretary's absence.
