+Area Statement June 9, 2013

Chris B (DACNA) announced that there is a new NA meeting hall in Edgewater. Subcommittees and new groups are welcome to use it. Steve B (Policy) asked if the hall falls into the non-affiliated status. Chris B replied that only NA groups may meet there. Kathleen W (ASC Vice Chair) brought to the floor that the RCM has missed 3 commitments in a row and that violates policy. Robert B (ASC Chair) spoke as someone who was recently almost impeached and that we need to proceed with caution. Danielle L (Just for Tonight) said that we have a policy in place for situations like this. Kathleen read the policy about attendance. John B (2o'clock group) expressed his willingness to bring the RCM reports back from region until that position is filled. Danielle stated Friday was the last day of New School. Chris stated that there is new meeting space available in Edgewater. Danielle reported that New School donated all supplies to the new Just For Tonight Group. Lisa D (ASC Treasurer) informed everyone that there is a 3rd sheet on the Treasurer's Report which shows the Year to Date. Mike S informed the GSRs that the order forms are now tax inclusive. John B requested the email for Google groups for the GSRs.

New GSRs: Mike M (New Attitudes), Chris (The NA Group), Sharon (Staying Clean), Richard D (Keep It Simple)

Administrative Reports:

Chair report: We are sending out the Area Inventory Survey to ask for the groups help to see where our Area and Subcommittees strengths are and where our services need improvement. Please fill out the survey attached to this month's minutes at your monthly group business meeting and return them to us at the next ASC. We try to get this in writing because it is hard to remember all theverbal survey reports in the parking lot and group conscience usually is not present. Please do not be afraid to fill them out because we will not know how to improve the services performed on the group's behalf if you do not inventory the services we already do.

We are in need of a ASC Treasurer, as well as other officers on the Committee and board, and if you know someone who meets the qualifications of the ASC Policy and has the willingness to serve, you should not hesitate to nominate them.

Thank You for Allowing me to serve,
Robert B.

Vice Chair Report:

All is well, thank you for allowing me to be of service.
ILS,
Kathleen W

Ad Hoc Committee Report:
The committee met on May 29th, 2013 at Sweet Marley's Coffee Shop. There were 13 Daytona area members present from Palm Coast, Ormond, Daytona, and Edgewater. The Committee discussedthe many issues concerning the formation of a new sub-committee which will mentor and train members about service positions, organizing service seminars, and much more.
It was the consensus of those in attendance that the Daytona Area form a new sub-committee called Fellowship Development. The purpose for said committee is training our members about service positions. This will promote unity within the fellowship, making service more attractive to members, while also effectively explaining the roles and responsibilities that come with serving NA.

Policy Report:

Policy Sub-Committee Area Report 6/09/13

Submitted by Policy Chair.

Policy meets on the second Sunday of each month at 9:00 AM at the Almous Club, 569 Foote Court, Daytona Beach. All members of Narcotic Anonymous are welcome to attend and participate. If you have the desire to participate, but the meeting time does not work for you, please let us know your times of availability and we will work to change the meeting time. You can speak to the chair or vice chair directly, or email us at daytonanapolicy@yahoo.com.

The policy sub-committee has met twice since the Area Service Committee of 4/14/13.

On 5/12/13 there were two (2) addicts in attendance, the Policy Chair and Vice-Chair.

As was reported at the last area, the policy packet must be republished with all updates in November of this year. Readability and clarity is always the goal.

The question to the fellowship (GSRs) is: Can a change in format be done without group approval? Note: WE already KNOW that content cannot be changed without approval.

On 6/09/13 there were two (2) addicts in attendance, the Policy Chair and Vice-Chair.

The discussion at our meeting addressed the upcoming transition in October (where the Vice-Chair acclimates to the Chair Position.

Before addressing "Where Policy is going" we have to inform what the Policy sub-committee IS and IS Not.

Policy does NOT RULE on anything. Policy does interpret and provide feedback, as it relates to the 12 Concepts of Service and our 12 traditions. With that information, it is the responsibility of the groups and this body to take whatever the spiritually motivated action is dictated. The groups and this body must be allowed to engage in open discussion – perhaps even longer than our 2 Pro/2 Con limit.

We recognize that two people cannot possibly know it all, so even our interpretations are open to challenge.

In loving service,Steve B.daytonanapolicy@yahoo.com

Public Relations Report: The PR Subcommittee met on April 21st, we had 7 members present. Our Chair Colin resigned from his position stating personal reasons and also stated knowledge that our secretary would no longer be in her position. Troy H, the vice chair has taken temporary position as chair until a vote of acclimation can be held on the Area Floor in June. A vote of confirmation by the PR Committee for Troy H to assume the Chair Position was made and passed. Dallas was voted in as our new PR Vice Chair and John G was voted in as our new Helpline Chair. We made the decision to review and reform all the positions and responsibilities in the PR committee due to having more positions than actual members for too long. Positions currently open are schedule coordinator, secretary, and community relations. Over the past month we did a survey to see how many calls were being missed on the helpline and during the previous month NO calls had been missed so our phone line committee has done a great job with this. The cost of printing our meeting schedules has gone up from $122 to $128.60. Our current web host contract of $191 per year was coming due this month and upon research from our webmaster we found a new host site offering newer technology and a lot more storage capacity than we presently get for $41.60 per year, and $24.51 to register domain name for 3yrs, due to the time constraint and area not meeting in May, I made the decision for us to change host sites for financial prudency and better options. A vote was passed to not meet in May since Area was not being held. Our new business cards being distributed has gotten some positive feedback by members, stating ease of carrying in wallet and accuracy of website meeting list compared to our paper schedules. I would just like to state that over the past 4 months or so we have had 7 to 8 constant

members attending the PR Committee mtg and many with considerable time are starting to commit to the open positions available and with that, I believe the outlook of this committee is headed in a positive direction with new vigor and willingness. We are just beginning and will always be in need of constant support from this area and its members. PR meets the 3rd Sunday of each month and is welcoming anyone interested in being of service to attend.
ILS Troy H
