Public Relations Report:
PR met on Sept 18th with 7 addicts in attendance. The helpline reported 90 calls were fielded last month, only a few were initially missed but were called back within 20min. We currently have 4 open positions. Chair, Vice Chair, Alt Sec, Community Relations. Our web coordinator has already found a way to update our meetings at the regional level as discussed last month at area and proposes to do it on a monthly basis. We spent considerable time discussing our PR principles and how we conduct ourselves in public as NA members and representatives due to upcoming events and public introductions we are planning. The PR Committee came to a consensus about our new marketing ideas and put them immediately into action. A new poster has been designed and 50 ordered to be placed in many areas throughout this community, along with a vertical banner with stand and a horizontal banner that hangs to replace our old black trifold cardboard with IPs taped to it, that we currently use as a display. Both will have our new design and one will also have some Basic Text quotes down each side.Aside from a monthly outreach event we set up at in palm coast, each and every month, we also have purchased a booth for the recovery week event this month on the 21st. We have 10 to 12 addicts committed to being of service at this event and have purchased t-shirts for each that also have this design to show some unity and to let others know who is working the event in case anyone has questions or just needs to talk. We expect a good representation of NA at this event and ask that if you attend the event that represent NA accordingly also. We are always in need of more support so if you are looking into areas of service we would like you to come check us out, we meet the third Sunday of each month. Our next meeting will be on Sept 15th
