+Area Statement April 13, 2014

Sean (Area Vice-Chair) stated that there are no GSR forms and asked GSR's to please submit their report on a regular sheet of paper. Sean also stated that the Literature Coordinator is absent and to please be patient with literature orders. Scooter stated there is a new Saturday night meeting located at 345 club at 10:00 pm and requested a starter packet. John B. (Web) stated that any new meetings to please give all information to him in person or through email so that he can update to website. George D (RCM I) gave a brief history of the Florida Region and literature. The area has never had an issue with literature in its history, literature committee has lost its way and extra money has been spent. Region stated that it would be a disservice to the groups to have to order their own literature and using 7th tradition to pay for shipping. This area has a habit of if something is not working right, we get rid of it. George reported that the motion is out of order and he is addressing this motion and is asking for reconsideration. George also said H&I is to carry the message to the addict that still suffers, only should be supplying little white books, schedules and some pamphlets. PR should take a look on how much literature they are buying. George stated that this would be a disservice to this area. Neil (Street Survivors), question for George, how many areas do not have a lit committee? George responded that there are no other areas that disbarred their lit committee, all other areas have one. Neil (Street Survivors), asking for clarity for the motion regarding meeting schedules every quarterly basis. Matthew (PR)-please do not go back there and get a bundle of schedules. Robert (ASC Treasurer) ASC contributions are in fact going to pay for areas shipping for literature orders. George asked Robert how much we pay for shipping. Robert said he didn't know. Ron reported approx. $120-200 in shipping, George had a recommendation to add surcharge to total orders from home groups to cover cost of shipping. Robert suggests to ONLY order what we need, and get it next month.

Vice Chair Report:
Hello all, I attended all subcommittee meetings since the last ASC, with the exception of Policy as I was out of town. I do see and talk to the Chair of that committee, on policy issues, regularly. All of the

sub-committees are being responsible in their efforts to carry the message to the addict who still suffers and in letting the community know who, what, and where we are. H&I is doing a great job of being more responsible with NA funds. (11th concept), and carrying the message to addicts whose access to NA meetings is limited or nonexistent. Activities Subcommittee and the Old School Group is planning a BIG June 14th Family Fun Day event, the flyer is on Area website (daytonana.org). Public Relations is doing well and all help-line calls are being answered. All of the sub-committees are always in need of addict support. Please choose one or two and get involved. We can only keep what we have by giving it away. Bring your sponsor, sponsees and friends. Come and give back some of what was so freely given to you, and have a Ball O doing it. Where and when your Sub-committees meet is listed on the back of our Area's meeting list.
REMEMBER!! THE ASC WILL NOT BE MEETING IN MAY, see you again June 8, 2014.
In loving service, Sean C.

Secretary Report: M/S/T: (14/04/01): Motion to accept minutes (Baker's Dozen/Just For Today). Please make sure all subcommittee reports are emailed to secretary no later than the second Sunday after area. This allows a full two weeks for submission. It is difficult to track people down to remind them to submit their reports. I am just trying to fulfill my position and provide accurate minutes to the best of my ability. Everyone's cooperation would be helpful.
Thank you. ILS, Kristen

Fellowship Development: Fellowship Development Report April 2014
We continue with the development of the new subcommittee by looking for new ways to train members and get information to them. Since the Area is concentrating on being more prudent with our finances, FD is looking to Technology Resources available to help us achieve our goals while being financially responsible. In partnership with the FL Region, we will be looking at using webinars as a way to help our members learn about topics that interest them. The Region is beginning to gather topics and organize them for webinar presentation and I am a part of this project. More will be revealed as we move forward. We are always open to new ideas and topics, so please feel free to communicate them to us.

Policy Report:
Policy now meets on the First Friday of each month at 5:00PM at 316 Church St, Port Orange where "Old School" meets. All members of Narcotics Anonymous are welcome to attend and participate. If you have the desire to participate, but the meeting time does not work for you, please let us know your

times of availability and we will work to change the meeting time. You can speak to the chair directly, or email us at Horlitz22@gmail.com or at daytonanapolicy@yahoo.com.
The policy sub-committee met on 04/13/14 at 10:00 AM. There were two (2) addicts in attendance.

• Policy Vice-Chair and Policy Secretary are out to the fellowship. Vice chair is a 2 year suggested clean time requirement and secretary is a one day suggested clean time requirement.

• We decided to change the day/time and move the location of the Policy meeting to 5:00pm on the First Friday of each month at 316 Church St, Port Orange where "Old School" meets with the hopes of gaining more addict participation.
In loving service,
Carl H Jr. (Policy Chair)

Public Relations Report: PR met on March 16, 2014 at 730 Beville Road. There were 8 addicts in attendance. The chair reported that poster placement is still ongoing and well received. There was discussion regarding the motion brought to the area regarding printing the schedules on a quarterly basis. The schedule coordinator reported that the cost for 2000 schedules is $133.13 and the printer gives us a break on cost because they use whatever color ink they happen to have an excess of at that moment. There was concern that there have been months with as many as 10 schedule changes and accuracy with going to printing the schedules on a quarterly basis. The helpline coordinator reported that when an addict calls for a meeting, the information is taken directly off of the NA website. 49 calls were received and all were fielded or called back immediately. All 10 slots on the phone line are currently filled. The website coordinator reported that the Policy chair had emailed 2 updated policies and he needed the most recent PR and DACNA policies emailed to him for placement on the website. All meetings listed on the website are up to date. It would be helpful to recruit someone with an interest in computers as an alternate for the webmaster. The website coordinator also requested guidance on who should have the passwords for the websites we currently use. The webmaster is also going to work with the Orlando area webmaster in an effort to put celebration dates on the website. In old business, the chair reported that Safe Net promoting a safe spring break put on by the Human Services Club at Daytona State College was a success. NA was represented and information was available to all. Access Flagler is still going well and there are some changes regarding attendance but NA will still attend and information will be available. Concern regarding the clarity of our business cards was raised, but it was brought to the committee's attention that the cards we use are a design that was selected and voted upon by the PR committee the previous year. In new business, the chair reported that he had been contacted about NA being at the Flagler VFW Stand Down, which is an event that offers a variety of assistance to veterans. NA is currently involved with this in the Big Bend area and it is a huge success. The VFW assured the chair that NA would not be in the building with the bar nor would alcohol be involved in the event. It was moved and voted unanimously that NA would participate in the Stand Down event. The current progress of doing presentations in schools was brought to the committee and it was decided the best way to go about it is to contact the individual resource officer at each school as opposed to approaching the school board as a whole. PR still has open positions available for both the Vice Chair and Alternate Secretary. All addicts are encouraged to attend and participate. The meeting was closed with the Serenity Prayer.
In Loving Service,
Matthew O

The new process is as such: groups bring literature orders to ASC, pay for the order and pick up orders at the next ASC. **INTENT:** To be prudent with NA funds and hopefully eliminate the financial burden on the area treasury by already having money in place to pay for what is ordered, up front, at time of purchase (Concept 11). To eliminate any unnecessary inventory and the uncertainty of what and how much literature to purchase (Concept 11).
