The Twelve Traditions of N.A.

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1) Our common welfare should come first; personal recovery depends on N.A. unity.
2) For our group purpose, there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3) The only requirement for membership is a desire to stop using.
4) Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
5) Each group has but one primary purpose—to carry the message to the addict who still suffers.
6) An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7) Every N.A. group ought to be fully self-supporting, declining outside contributions.
8) Narcotics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9) N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10) Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
12) Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities

Twelve Concepts for N.A. Service

1) To fulfill our fellowship's primary purpose, the N.A. groups have joined together to create a structure which develops, coordinates and maintains services on behalf of N.A. as a whole.
2) The final responsibility and authority for N.A. services rests with the groups.
3) The N.A. groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4) Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5) For each responsibility assigned to the service structure, a single point of decision accountability should be clearly defined.
6) Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7) All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its' decision-making process.
8) Our service structure depends on the integrity and effectiveness of our communications.
9) All elements of our service structure have the responsibility to carefully consider all viewpoints in all decision-making processes.
10) Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11) N.A. funds are to be used to further our primary purpose and must be used responsibly.
12) In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

Definition of an ASC

An Area Service Committee (ASC) is a committee made up of representatives (GSR's) from groups within a designated area, administrative officers and subcommittee members, which meets monthly for the express purpose of serving specific needs of its member's groups.[1] The most important service which an ASC provides is that of its' groups support. Whenever a group has a specific situation or need, which it is not able to handle on its' own, it can come to the ASC for help. These situations are almost limitless in scope; however, we learned that we can get much accomplished when we work together. An ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. In order to provide these services, an ASC needs active participation of its' GSR's. A group supports its' ASC both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an area grows, the financial needs of the committee also grow. In order to provide a full line of services, it requires a steady, reliable flow of money. Some areas provide these funds through activities, these alternate sources of financial support are helpful, but the bulk of the responsibility still falls on the members of a group. The active participation of each GSR is essential for a successful ASC. Each GSR must keep their own group informed and must represent that group's conscience in all committee decisions. GSR's should evaluate each vote in terms of the needs of those they serve, and the needs of N.A. as a whole in the area they serve. In addition to this, a GSR participates in helping to carry out the ASC's other specific functions. The attracting of new members, the planning and the implementation of activities, and the aide given to the groups with specific situations are services, which require much more effort than a monthly meeting.

Narcotics Anonymous Service Prayer[2]

Service Prayer: God grant us the knowledge that we may work according to your divine precepts. Instill in us a sense of your purpose. Make us servants of your will and grant us a bond of selflessness, that this truly be your work, not ours: and that no addict anywhere need die from the horrors of addiction.

DAYTONA AREA SERVICE COMMITTEE RULES OF ORDER

MOTION	2ND REQUIRED	DEBATABLE	AMENDABLE	VOTE
MAIN MOTION	Yes	2 Pro / 2 Con	Yes	Majority
AMENDMENT	Yes	2 Pro / 2 Con	No	Majority
REFER TO COMMITTEE	Yes	1 Pro / 1 Con	Yes	Majority
TABLE	Yes	1 Pro / 1 Con	Yes	Majority
POINT OF ORDER	No	No	No	None
APPEAL CHAIR DECISION	Yes	1 Pro / 1 Con	No	Majority
WAIVE POLICY	Yes	1 Pro / 1 Con	Yes	2/3
POINT OF INFORMATION	No	No	No	No
RECONSIDER	Yes	1 Pro / 1 Con		2/3

Unanimous Consent:
This is a method that allows the ASC to move quickly through routine business or questions of little importance. This is a less formal way of handling business and is an alternative to taking a vote or a motion. If the Chairperson senses no opposition to a motion he/she will state that the motion is carried by unanimous consent unless there is an objection. If there is no objection to this, the minutes will reflect that all of the voting members were in favor. If a member objects to this, the matter will go to vote as prescribed for the motion.

Withdraw or Modify:
A request to withdraw or modify may be made by the maker of the original motion upon his acceptance of a suggestion from another member. After the motion is made, it belongs to the ASC as a whole, and the maker must request the ASC's permission. The Chair treats this as a unanimous consent matter; that is if no one objects to this, the request is granted. If there is an objection, the Chairperson automatically puts the request to a vote, which is not debatable.

Motion to Call a Vote:
A motion to call the vote must be seconded and allows for only one pro and one con. A 2/3 majority is required to adopt this motion. The intent of this motion is to bring the original motion to a vote without further amendment or debate. This motion is not to be made to suppress information, but rather to expedite the proceedings.

Point of Information:
A point of information is a question directed to the Chairperson to obtain information concerning parliamentary procedure of the motion that is pending. This allows a member to ask a question and it is not to make a statement or give information.

Point of Order:
When a member feels that the rules, policy or guidelines of the ASC are not being adhered to, he can make a 'point of order', which in effect is asking the Chairperson to make a determination of whether or not the procedure the member is pointing out is in fact being violated. A point of order is not a method in which to dispute the accuracy or validity of other members' remarks, but instead is to bring to the attention of the Chair that a member feels that proper procedure has not been followed.

Suspend the Rules:
A motion to suspend the rules is made when a member of the ASC would like to waive a certain ASC procedure. The motion will include the rule to be suspended and the length of time it shall be suspended. The motion requires a second and a 2/3 majority.
Appeal the Decision of the Chair:
By electing the ASC Chairperson, the ASC delegates the authority and the duty to make the necessary rulings on the questions or parliamentary procedure, but any two members have the right to appeal their decision on such a question. By one member making the appeal and another member seconding, the question is taken from the Chair, and given to the ASC for final decision. The Chairperson shall speak con to the appeal and the maker of the appeal shall speak pro to the appeal, not to exceed one minute each.

DEBATE, LIMITS[23]

There will be only 2 pros and 2 cons heard on any main motion or parliamentary motion, or decision, etc. The time limit to which speakers address a motion in debate will be determined by the ASC Chairperson; usually depending on the importance of the matter and the agenda for the business meeting.

MOTIONS

- All motions are required to be submitted in writing on a "Motion Form" that is numbered with the year, month, and motion number of that day's business.
- The only ASC members that can make or second a motion are the GSRs, Alt GSRs, Elected officers of the ASC, which include Subcommittee chairpersons and their alternates.
- The ASC can only make a motion to waive the current Policy once during any one ASC meeting.
- When a motion creates or changes policy a copy of the motion will be kept with the Policy Chairperson at close of that ASC to be attached to that month's meeting minutes and kept on file with the Policy records; the original copy of that motion will be kept with ASC secretary and the ASC minutes for that month.
- Any motions that deal with the distribution of Area funds, elections for Administrative Committee officers, or elections of Subcommittee Chairpersons will go back to groups for vote.
- All motions dealing with policy changes and/or amendments of policy will be tabled to the Policy Committee for review. Motions that address current policy shall include: 1.) Specific current policy to addressed or affected; 2.) Clear and concise language regarding new proposed amendments and/or revisions to existing policy ; 3.) The intent of the motion should take into consideration the 12 Traditions, The 12 Concepts, and a Guide to Local Services in Narcotics Anonymous.

VOTING

- The monthly ASC meeting minutes will reflect the exact vote count tallied; number of yes votes, number of no votes, number of abstentions; and the outcome of the vote- Pass or Fail.

- Motions which require a 2/3 majority to pass are:
  - Those which change, eliminate, add or waive policy;
  - Those which concern financial matters -- first reviewed by the Area Treasure, to ensure adequate funds are available to support the motion – generally Tabled to Groups for approval.
  - Those which eliminate a standing committee.

- All other motions require a simple majority of the groups present at roll call.

- Any recognized group in attendance at ASC, that is prepared to vote, may vote.[24]

- Votes will be taken by a request from the Chairperson to see a show of hands, of all in favor, then all opposed, then all abstaining.

- All alternate ASC officers and alternate GSR's can vote in the absence of the officers they are alternating.

- The ASC Chairperson can only vote as the tie breaking vote.

- ASC officers can only vote on motions that directly address administration business of the ASC and that does not have to go back to groups for a vote.

Quorum

Quorum will be calculated twice at the ASC meeting: First, following the "Open Floor" where any member of NA may address the area; second, just prior to group voting on old business. At this time, the Area Chair will ask if any group is unprepared to vote and would like to be removed from the quorum count.[25]

- All subcommittee meeting times and places are to be included in the ASC minutes each month

Chairperson before changing the subcommittee business meeting time and location. This is so the time and location of the subcommittee business meeting change will be reflected in the Meeting Directory.

Activities:

Dances, picnics, campouts, and special speaker meetings-these events are put on by area activities subcommittees. Activities like these can provide a greater sense of community for the local NA fellowship and produce additional area income. It should always be kept in mind, however, that these functions are designed to enhance NA's primary purpose, not to replace group contributions in funding area services.

• The Activities committee will request funds for each event from Daytona Area Service Committee Treasurer based on submitted budget per event.[40]

• The Activities Alternate Treasurer will also be elected by the ASC as the officer is a signer on the Activities checking account.

• Any function planned by this committee will be allowed by group conscience of the activities committee.

Hospitals & Institutions:

Hospitals and Institutions Subcommittees conduct panels that carry the NA message to addicts who often have no other way of hearing our message. The Area H&I subcommittee keeps records of H&I meetings, coordinates panels and establishes new meetings to as many hospitals and institutions as possible. The H&I subcommittee responsibilities sometimes overlap those of the local Public Relations committee. For this reason we encourage H&I and PR subcommittees to closely cooperate with one another.

Policy:

The policy committee is responsible to keep a regular updated log of area policy actions. That way when the ASC is confronted with a policy question the ASC can consult it to see what decisions have already been made regarding it. The policy log makes it unnecessary to for the ASC to rehash the same question over and over again. The Policy committee will clearly explain their reasons for recommending or not recommending a motion (based solely on Twelve Traditions, Twelve Concepts & Twelve Steps). When updating the Area policy package, include all Area subcommittee guidelines & budgets. Maintain update on a month to-month basis. Once a policy change has been passed through voting , the policy chair shall submit an updated version of the policy(dated at the time of update) that reflects the current change to be uploaded to the ASC website via an authorized trusted servant.[41]

Public Relations:

The general mission of our area Public Relations subcommittee is to inform addicts and others in the community of the availability of recovery in Narcotics Anonymous. Attempts to carry the N.A. message of recovery to those who help or have contact with addicts, and attempts to establish lines of communication via radio shows, public service announcements, poster, mail-outs, attendance in related conventions of professional fields, etc. The ways and means are innumerable. All PR work should go through the subcommittee.

The PR subcommittee also establishes, maintains and coordinates an effective Phone line, and Web Page. This committee is responsible to meet the needs of the addicts in this area. They do so by following the Twelve Traditions, Twelve Concepts and the current Policy of the Daytona Area Service Committee. The purpose of this is to provide a means by which a still suffering addict can reach a member of NA.

Ad-Hoc:

Sometimes an area committee comes up with a question or special project that does not fit into any existing subcommittee's job description. The ASC may wish to create an ad hoc committee to address the issue. Ad hoc committees are set up for specific purposes and have limited lives. When they have finished their jobs, they are disbanded. In creating an ad hoc the committee, the ASC should clearly specify what the committee's purpose will be, what authority and resources it will be given, and how long it should take to complete the job. Then the ASC chairperson may appoint either the entire ad hoc committee or just a chairperson who will put the ad hoc committee together later. Once the ad committee's work is completed, the committee is dissolved.

Travel Policy[42]

Purpose

The primary purpose of a Travel Policy is to create guidelines to provide oversight, enhance accountability and transparency of all financial matters regarding travel of the DASC. In keeping with the spirit of our 12 Traditions, 12 Concepts and the Guide to Local Service.
Intent & Purpose: No addict with the willingness to serve be excluded because of his or her financial situation.

Trusted Servants who travel at the direction of the ASC shall have all necessary and reasonable expenses paid. These may include:

1) **Transportation**
   - Compensation for use of a personal vehicle shall be no more than one half (1/2) of the current IRS Standard Mileage Rate for business miles driven over 50 miles from ASC meeting place. This rate is up to $300.00 total for all combined travel amongst trusted servants.

Financial Policy[42]

Purpose

The primary purpose of a Financial Policy is to create guidelines to provide an oversight, enhance accountability and transparency of all financial matters of the DASC. In keeping with the spirit of our 12 Traditions and 12 Concepts and the Guide to Local Service.
Eleventh Concept – NA funds are to be used to further our primary purpose, and must be managed responsibly. The Eleventh Concept establishes the sole absolute priority for the use of NA funds: to carry the message. The importance of that priority calls for total fiscal accountability.

General

DASCNA will adhere to local, state, and federal laws and guidelines that govern nonprofit 501(c)(3) organizations.

The single point of accountability will fall on the Area Treasurer with the support of the Assistant Treasurer and Administrative Committee.

The Area Treasurer's report will be submitted at each ASC meeting. Open examination of the Treasurer's Report and bank balances can be done by groups at this time.

The Area Chair or designated member of Area Admin committee will verify bank balances reported in the Treasurer's report at the area service meeting each month and verbally verify balance to GSRs.[43] This should be done by some real time banking tool, such as online banking or banking app.

ASC Financial Responsibility

The DASCNA will be responsible for assuming the costs of printing meeting schedules, maintaining a centralized location for storage of subcommittee supplies.

Fiscal Year and Month

The DASCNA shall keep its accounts on the basis of a fiscal year beginning on June 1st and ending on May 31st. Similarly, each fiscal month shall begin on the first day of the month and end on the last day of the month.[44] First quarter ending August 31, second November 30, third February 28/29 and fourth May 31.

Budgets

Each ASC standing subcommittee and each Area trusted servant shall prepare an annual budget stating in detail all proposed expenditures and all proposed income arising from or related to the function of the committee or trusted servant. Proposed expenditures should be divided into two sections, the first stating those expenditures required by ASC policy and the second any additional expenditures proposed at the discretion of the committee or trusted servant. Each budget should also include the previous year's approved budget amounts. Budgets shall also

include a listing of the previous year's actual expenditures for comparison. These budgets should be submitted to the ASC at the June[45] meeting for the following 12 month period.[42] Before yearly budgets are submitted, each area subcommittee is responsible for obtaining three bids from outside vendors.[46]

Proposed Operating Fund/Budget

Each year an Area budget will be submitted to the groups for approval prior the August meeting[47]. The budget can be estimated using previous years' reports and consideration for inflation. Budgets may have to be adjusted during the fiscal year to reflect the area's expenses or outstanding debts. Large expenses (i.e. insurance) that are made as a one-time payment a year may need to be divided and considered in the monthly budget in addition to the Operating Fund as to allow the area to save to meet these large onetime expenses.

The Area Treasurer will establish a minimum Operating Fund in the checking account of (35%) the annual budget. This amount should be rounded up to the nearest $100 and announced to the groups. Any time the ASC budget is adjusted the Operating Fund will need to be adjusted.

Special Reserves

Special reserves may be established only by the ASC, for future events or purchases that are not included in the current fiscal year budget.

Disbursements

The Treasurer shall make disbursements for specific line items of the approved budgets as the need arises, but no monies will be disbursed without a written receipt or verified invoices. The Treasurer shall also make disbursements at the specific direction of the ASC. All ASC officers and Subcommittees are required to submit: 1.) Amount of funds disbursed from ASC; 2.) Total income if necessary; 3.) Line item costs with receipts; 4.) Deduct costs from income if necessary; 5.) Profit / loss if necessary; 6.) Funds coming back to the ASC.

Transactions

All financial matters shall go to the Treasurer before going to the groups. All transactions of the ASC, over $20.00 will be in the form of a money order or cashier's check.

Proposed Emergency Fund Account

An emergency fund of $6000 is to be kept in a savings account. This money can be moved into the Operating Fund (checking account) whenever those funds fall below what is necessary for operation of the area financial business. The treasure shall notify the groups at ASC when this transaction must occur.

Financial Statements

The Treasurer shall prepare a monthly financial statement and upload report on the Daytona Area Website[11], showing all receipts and expenditures for the fiscal month and the fiscal year to date. The statement shall break down expenditures by budget line item and provide totals for each subcommittee and trusted servant. Current approved annual budget amount should also

be shown. If no budget has been approved, the amount included in the Operating Fund Account shall be stated. Treasurer will include in each monthly report, a redacted version of the monthly bank statement showing account balances.[11]

Proposed Fund Flow
Before fund flow may occur at ANY time - First, the Operating Fund account must have funds greater than or equal to 35% annual operational budget (accounting for large annual expenses ie insurance). Second, the Emergency Fund must be replenished to the agreed upon amount of $6000. Then, excess monies will be available to fund flow down to the Florida Region as stated below.

Only when DASCNA financial needs are met as outlined above, the ASC fund flow will occur at the end of the fiscal quarters as specified above (first quarter ending August 31, second November 30, third February 28/29 and fourth May 31)[48].

When large sums of money are received by the area (ie from the proceeds of the DACNA convention or otherwise), those funds will be kept in the area for at least two quarters until being considered for fund flow to the region. The intent is to allow the groups time to assess area needs and fund projects locally.

When the ASC Treasurer receives funds from the Activities Subcommittee the amount will be returned to the Activities budget to be reset. Funds in excess of the yearly budgeted amount will go in the ASC checking account to be part of the operating expenses.

Subcommittee Funding
All funds generated by an ASC subcommittee over and above the subcommittee's budget/operating expense, excluding the Convention Committee, shall be turned over to the ASC Treasurer at the next ASC meeting following the event or to the Treasurer within 72 hours of the event.

Funds Held by the Convention Committee
As suggested by the Convention policy and guidelines, certain funds are held by the Convention Committee for expenditures at the direction of that said committee. In every respect, these funds are to be handled and accounted for in the same manner as other area funds. The Convention Committee Treasurer shall provide the ASC with a monthly statement which will include itemized payments, income and balances. The Starting Account balance for each convention will be the total of all expenses from the prior year's convention, adjusting for inflation and possible venue contract cost increases as needed.[49]

Funds Held by the Activities Committee
As presented by the activities policy and guidelines, funds are held by the activities committee for expenditures at the direction of that said committee. In every respect these funds are to be handled and accounted for the same manner as other are funds. The activities committee shall

provide the ASC with a monthly statement which will include itemized payments, income and balances. This will likely be presented by the Activities committee chair.[50]

Tax Reporting

- For tax reporting purposes, the Daytona fiscal year shall be from June 1 to May 31[51]
- For tax reporting, the area treasurer, Activities treasurer, and DACNA treasurer will all provide, at the direction of the area's tax representative, all expenditures and revenues. This report will be provided to the tax representative by July 31st of each year.[52]

This Financial Policy is the guideline for all Administrative and Subcommittee Policies when it pertains to finances.

Outreach of Events

When an event has great attendance, it means the members in our fellowship are enjoying their life without the use of drugs. It also means that we most likely have covered the costs of putting that event on.

Here are some suggested ways of having a good turnout at every event:

- Encourage members of the Activities Committee and the fellowship to announce our events at meetings.
- Good looking flyers are great to have as they will be given at area to our GSR'S for their homegroup and to members of the fellowship. Printing quarter flyers helps with cost and the effectiveness' of giving a majority of our fellowship a flyer. We can give a quarter flyer to our membership before/after a meeting letting them know they are invited to our events.
- Have an out of area speaker. This helps with getting attendance from out-of-area members.
- Post the flyer and do event invites on social media/pages.
- Sending emails and or text messages of the flyer to members of the fellowship.
- Having our flyer on our area website, the Florida Region, and nearby area websites.

All flyers distributed throughout the fellowship must include the following: 1) One of NA's registered trademarks (refer to NA Intellectual Property Bulletin #1). 2) Date, time, and location of the event 3) Name of the hosting group, subcommittee, area, and region.

4. Any NA Member who is involved with a given facility on a professional or volunteer basis should not participate in the panels serving the addict(s) in that facility. This is intended to avoid possible conflict and the resulting damage to: (a) the inmate or patient inside, or (b) the working ability and the privilege of the subcommittee to carry the message inside of the facility. For these same reasons, no H&I Member may interfere with or use influence in any facility, court, or hospital: nor any judge, doctor, probation or parole officer. Furthermore, H&I members will not make any comment or promises regarding employment, parole probation or medical problems. We carry only the message of NA:

Some facilities house only men or only woman, other facilities house both men and woman but keep them separate. In these facilities, where your meetings will consist of only women, we strongly feel that only same-sex NA Members should participate.

**** Remember: our primary purpose is to carry the message of recovery, not to make our meeting more popular with addicts that we are trying to help. Problems that might arise related to this have the potential to seriously damage the credibility of NA. Experience has taught us that we can avoid these problems if we follow simple guidelines. ****

12. You are reminded that the H&I Subcommittee exists to share the Narcotics Anonymous message - our experience, strength, and hope. H&I members should try to get residents involved with the H&I meeting/presentation through reading materials as well as through direct sharing. A personal contact should be established with any resident upon their release.

13. All panel coordinators will be held accountable to their commitment to service. Any panel coordinator who is continuously absent (2 or more consecutive meetings) from monthly H&I Subcommittee "can" be removed from their position by a majority vote of the H&I Subcommittee. If a panel coordinator is voted out of service, the position will then be open for nominations.

14. For additional information and suggestions on H&I service please refer to the W.S.C. H&I handbook. 15. Adolescent Guidelines: Prior to entering all adolescent facilities all Panel Members/speakers will be prescreened using the internet sex offender web sites. National, State and DOC.

Public Relations Subcommittee Guidelines

In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government. (12th Concept for NA Service)

PURPOSE OF THE PUBLIC RELATIONS SERVICE COMMITTEE

This selection defines our purpose-the reason we exist. Our purpose is based on NA's 5th Tradition, "Each group has but one primary purpose-to carry the message to the addict who still suffers," and the 12th step, "we tried to carry the message to the addict who still suffers." Everything we do in NA Service must be motivated by the desire to successfully carry the message of recovery-that an addict, any addict, can stop using drugs, loose the desire to use, and find a new way to live. The Daytona Area Public Relations Committee is the working body

for our combined group service efforts, and it is directly accountable to the ASC and the groups it represents in its actions. “The final responsibility and authority for NA Services rests with the NA Groups.” (2nd Concept)

- Our public relations committee’s purpose is to effectively communicate and demonstrate Narcotics Anonymous ability to help addicts stop using drugs, lose the desire to use, and find a new way to live. The committee will accomplish this by coordinating the services we provide to maximize our ability to fulfill our primary purpose.
- The name of this committee shall be the Daytona Area Public Relations Committee of Narcotics Anonymous, hereafter referred to as the PRC.
- The PRC is a standing sub-committee of the Daytona Area Service Committee
- The PRC shall perform all functions historically performed by the Help Line Committee and the Public Information Committee.
- The PRC shall comply in all its actions with the following documents in order of priority as
- listed below:
- The Twelve Traditions, Concepts and Steps of Narcotics Anonymous
- The current guidelines of the Area Service Committee
- The current guidelines of the PRC
- A Guide to Local Services in NA, and NAWS approved service handbooks

PUBLIC RELATIONS COMMITTEE MEETINGS & MEMBERSHIP

The PRC meeting is a source for groups and NA members interested in combining and coordinating efforts to reach the addict who still suffers, and improve NA’s reputation as an available program of recovery in our community. It is also an opportunity for any committee member to receive information on public relations related issues they would like guidance on, and for our committee members to report on the effectiveness as well as any needs they have to continue and improve the services we currently provide. The PRC establishes a time and place to meet that accommodates the needs of the groups and current or prospective committee members.

- Business meetings shall be held at least once monthly, at a time and place designated by the membership. No business meeting shall last for more than one and a half hours, except when a decision to extend this time limit is made by the members present.
- Any Narcotics Anonymous member or interested person may attend the PRC meeting.

- Any NA member will become a member by attending 2 PRC meeting in a row and one PRC orientation in the past two years or attend an upcoming orientation/training day. After missing three consecutive PRC meetings, you may or will be removed from your position. Reasons for absence will be taken into consideration.

DECISION MAKING

As a spiritual body, we try to reach all decisions by consensus; we believe that a loving God’s will is expressed through our group’s conscience (2nd Tradition.) In the event that we cannot reach a consensus, we utilize a simplified version of Roberts Rules of Orders as printed in A Guide to Local Services in NA, to reach our decision. One of the reasons we try to achieve consensus is it insures that we follow our 9th Concept, “All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making process.” By carefully

discussing and respectfully listening to all points of view we try to make sure this happens at the PRC. The reason all committee members are allowed to vote is the 7th concept, which states, " All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in it decision-making processes."

- Business meetings shall be held at least once monthly, at a time and place designated by
- the membership. No business meeting shall last for more than one and a half hours,
- except when a decision to extend this time limit is made by the members present.
- Any member, except for the chair, is eligible to vote at business meetings.
- Any member can make or second a motion.
- Any, member may propose an amendment to those guidelines during the course of the year however final approval is done through the ASC
- All committee members have one vote regardless of number of positions held

ELECTIONS

In our election process we use the 4th concept, "Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants. " We trust that our committee's group conscience will select the coordinators and officers best suited to fulfill the responsibilities of the positions.

- Elections of all officers and coordinators other than chairperson shall be held annually in August and September. The chairperson is elected by the ASC; however, the committee is encouraged to submit a recommendation for the chairperson to the ASC for consideration.
- All terms of service of offices and coordinators are one year commencing at the end of September. In the event a member cannot complete his/her term of service, the chairperson shall appoint someone to fill the vacancy until the next regularly scheduled election.
- The officers of the PRC are the Chairperson, Vice-Chairperson, Secretary and Alternate Secretary. They shall perform their duties as described in these guidelines and in their approved service handbooks.
- The coordinators for the PRC are the Literature Coordinator, Helpline Coordinator, Website Coordinator, and Mass Media Coordinator along with their Assistants. They shall perform their duties described in these guidelines and in their approved service handbooks.
- No member of the committee can service in more than one elected officer position Simultaneously.
- During elections of PRC, trusted servants, the nominees, shall leave the room following all discussions and prior to voting
- Elections will be decided by a simple majority. In the case of more than two candidates for a position where no candidate receives a majority vote, the two candidates receiving the most votes will have a second election between only those two candidates.
- A PRC trusted servant may be removed from their position for non-compliance only after the person has attempted to be contacted from the PRC chairperson or designee stating the concerns about their fulfillment of service responsibilities have been raised. If a member who is the subject of a motion to be removed from position is present and can address the concerns

raised by the maker of the motion, attempted contact will not be required. Non-compliance includes but is not limited to:
*Loss of abstinence of drugs
*Failing to perform duties of the position
*Three consecutively missed PRC meetings

SPECIAL RULES

From time to time the PRC will make special rules to assist in carrying out its projects. Those that are permanent are recorded in this section of the guidelines.

- Public relations will have at least one orientation per term year.
- The orientation may use the format listed in Appendix A of these guidelines. At least two qualified PR trusted servants (the orientation facilitator, PR chair, or appointee) (and one of the following trusted servants: PR vice-chair, secretary, or one of the coordinators) presence is required to hold a PR orientation.

TRUSTED SERVANTS

"For our group purpose there is but one ultimate authority-a loving God, as he may express himself in our group conscience. Our leaders are but trusted servants; they do not govern." (2ndTradition)
Being of service to the fellowship of NA is recognized as a valuable tool for addicts seeking recovery. This section lists many of the basic responsibilities for those members who serve as a PRC trusted servant.

Our groups have shown their trust in these individuals by, "delegating to the service structure the authority necessary to fulfill the responsibilities assigned to it." (3rd concept) Once we select them, we trust our trusted servants.
