H&I Panel Coordinators roll call and report (**see attached**)

New Members: Melvin, Megan, Chris M., Ashley J., Brian

Old Business: Vice Chair contacted all panel leaders for men's and women's RAP after hearing that meetings were not being met; the facility has been reaching out to the men asking if they will speak for the girls when women have not shown up for their commitments; Vice Chair suggested reverting back to the old system where male and female commitments were conjoined, especially since willingness to fill panel positions is lacking. The group decided to table the decision until after the facility is consulted. Andrea R. suggested asking RAP if there is a better day for the females since oftentimes they are not present when the meeting is brought out to the facility. Flagler H&I Orientation will be held in Bunnell on the 24th; Carl H. and Dave S. need support from coordinators and panel leaders at this event. Dave S. suggested creating a list of facility requirements for the event. Jessica S. brought up the lack of literature at Detox; Sean W. has reached out to facility about the issue in order to rectify it and will follow up. The group again discussed the extreme importance of coordinator/panel leader communication; Karen P. suggested a best practices list for communication between coordinators and panel leaders.

New Business: Literature Chair addressed group about Flagler Jail's desire for 40 softcover basic texts, which would cost ~\$500; group conceded that 40 was excessive. Bill T. suggested ordering based on inmate interest in meetings; Chair suggested a book per pod (i.e. 10, which Lit Chair already ordered); Carl suggested allowing the facility the option to purchase books before using our own budget; several other members suggested using white booklets as a substitute. Vice Chair reported that females at RAP are offered church at the same time as NA meetings, which is why sometimes no one is there. RAP declined to merge male and female meetings at this time. Chair addressed group regarding the use of inappropriate language by an H&I member at RAP; said member addressed the floor with an apology. Chair addressed group about importance of using NA language, as well as making sure that speakers have the required amount of clean time. Andrea R. reiterated the importance of monthly attendance of all members in order to stay aware of H&I policy. Orientation Chair's goal is to orientate all speakers while some member of the group felt that this was impossible and violated the traditions concerning governing, however H&I policy states that ALL speakers must be orientated. Sean W. put in a motion to overturn policy and Bill T. seconded. Carl H. put in a motion to table the matter, but

there was no second; no vote was taken. Heidi D. suggested re-orientating all coordinators and panel leaders; Dee S. and Andrea R. suggested that panel leaders orientate speakers on the way to the commitment.

Appointed Positions (through election):

Darryl Strawberry: 3rd, 4th, and 5th week panel leader positions open

Men's RAP: 4th week panel leader position open

Reality House: 2nd and 4th week panel leader positions open

Flagler Jail: 5th week panel leader position open

Women's Jail: 3rd week panel leader position open

Detox Thursday: Coordinator position open

Detox Saturday: Coordinator position open

The next H&I meeting will take place on March 25th, 2018.

Stephanie S. motioned to close, Chris M. seconded, and the meeting was closed with the Third Step Prayer at approximately 7:07 PM.
